## ABOUT TOWN

Regular meeting of Ballot Abund temple A. A. O. N. M. S. this evening at 8 p. m. Visiting brethren made welcome. L. H. Chamberlin, potentate.

The regular meeting of the Woodmen Circle, Cottonwood Grove No. 2, will be held tomorrow afternoon at 2:30 in the L. O. O. F. hall on South Second street. All members are urged to be present.

Lucinda, the small daughter of Mr. and Mrs. Faustine Garcia, died at 3 o'clock yesterday morning. The funeral will be held at 2 o'clock tomorrow afternoon and burial will be at Santa Barbara cemetery. Friends are invited.

The first of three races between a motorcycle rider and Freddie Le Tarte, well known roller skater, will be held at the rink Tuesday night. The other two races of the series will be held Thursday and Saturday nights. Le Tarte has beaten all comers on skates and bicycles and his race with a motorcycle promises to be a thriller. The motorcycle rider is one of the best in the town and has been practicing for the event. This race will undoubtedly be the best ever pulled off at the rink.

The Santa Fe is making an effort to stop the theft of goods from freight cars as there has been considerable trouble in that line in recent months. The company has distributed printed notices offering \$25 reward for information leading to conviction of any person for breaking into cars or stealing property in charge of the company for any purpose, also for throwing rocks or other missiles at cars or for tampering with any railroad switches when not having any authority to do so.

While hanging from a horizontal bar on the University campus yesterday afternoon, Edward Gallegos, a student at the University, lost his hold and fell to the ground in such a way that his right arm was quite badly fractured. He was picked up by comrades who were near when the accident happened and taken to his room in the dormitory where a physician was summoned. Gallegos is resting as easily as a king and is expected to be up and about in a few days. It will be many weeks before he will regain the use of the arm.

A small boy who attends the Fourth ward school will think twice before he attempts to play tricks on the girls who attend the school. The other day he tried to fool some of the girls by a well known coin trick, in which a small nail is soldered to a coin and the coin thereby securely fastened to the sidewalk. In this case he used a five cent piece. After vainly trying to pick the coin from the sidewalk, one of the girls got a knife and with the aid of this the coin was secured. The girls then spent the money for candy and took great pleasure in eating the candy in the presence of the trickster.

The Colombo theater entertained two large houses last night with a program of music and moving pictures the equal of which was never before offered in this city for ten cents. The music was furnished by an orchestra composed of Mrs. Elks Smith and Mrs. Lou Hanlon, mandolins, Miss Craig, piano, and Mr. Ernest Berthold, violinist. Little Alice Drummond made a great hit in her new song. The feature picture of the picture program was "The Barbarians." By a new arrangement the management at the Colombo will be able to give its patrons an entire change of program every evening. The musical features will be continued for Sunday evenings.

"I don't see how they can afford to give such an excellent picture show for the small price of ten cents" was one of the many expressions uttered by those attending the moving picture show at the Crystal theatre last evening. However, the management is not worrying about that end of it and are well satisfied with their efforts in that direction so far. Each performance is greeted with a packed house and the words "Crystal Theatre" have become synonymous with that of "excellence." With music by the Croc orchestra, and several illustrated songs sung at each performance, the Crystal offers one of the best shows for the money in the west.

Reclaimed screened oats cost 10c per hundred more than straight oats as they come from the threshers. But you get nothing but oats. Dust chaff, weed seeds, sticks and etc., all removed. Should you be dissatisfied with the oats or anything else bought from us your money is ready for you. E. W. Fee, 602-604 South First Street, Phone 16.

## NEW FURNITURE STORE.

M. B. Kendis, formerly of Kansas City, has purchased the furniture business formerly conducted by Harry Benjamin at 114 West Gold avenue. Mr. Kendis has had large experience in the furniture business and intends to conduct a first class store. He has ordered a complete stock of new furniture, which will arrive soon. He intends also to deal in second hand furniture and to conduct auction sales frequently.

GOLDEN RULE ANNUAL  
BIG CLEARANCE SALE

Annual February Event to be the  
Biggest and Best Ever Held by  
That Firm.

At 9 o'clock Thursday morning, February 11, will begin the annual February clearance sale of the Golden Rule Dry Goods Co. This sale is to be conducted on a broader and more generous scale than those of the past. It is that for as every one knows who has attended these sales in former years, no effort is spared by the management to give all and just a little more than is advertised.

Tomorrow morning the band wagon will start out with a brass band drawn by four black horses, and every street in the city will be visited and entertained. Boys will leave bills at every house, giving in detail the magnificent offerings to be presented to the public at this sale. Watch for the black horses, the band wagon, and the bills, for the bills are really the most important. They will tell you you can buy anything you may want in dry goods cheaper than you can buy them at any other place or at any other time in the year.

The sale begins on the 11th and closes on the 20th, giving nine full days of unprecedented bargains, the like of which you have not before had the pleasure of enjoying.

Some of the special offerings to be made are women's and children's ready to wear garments at exactly half price. Muslin underwear at prices lower than it has ever before been offered. Dress gingham at 8 cents a yard, good apron check gingham at 5 cents a yard. Then there are muslin undershirts, kimono, corset covers, sheets, pillow cases in fact, everything in dry goods, at half price and better.

The men and boys have not been forgotten in this clearance sale. The entire stock of men's and boys' clothing, which is claimed to be the largest in the city, is at the disposal of the people the same very low prices prevailing throughout the store.

Friday, February 19, the last day but one of the sale, will be remnant day, when will go on sale all remnants and odds and ends at one half price.

To sum up, this is to be the biggest, grandest and best of the many big sales conducted by the big store. Be patient and wait till Thursday when the Golden Rule will be ready to satisfy your every shopping wish.

RUSHING THE WORK  
FOR SEATTLE FAIR

Many Buildings Are Completed and  
All Will Be Ready for the Opening Day.

Seattle, Feb. 8.—The Alaska-Pacific-Yukon expedition will be ready on the date announced for the opening, a big part of the work having already been completed or well underway, according to the statement of L. A. Nadeau, director general, who says:

THE WIND BLOWS;  
TONIGHT IT SNOWS

A Breezy Breeze Has Been Fighting  
Through the Trees and Tonight  
the Chances Are We Freeze.

The weather man passed out a spell of very severe weather for central New Mexico today, and promises worse for tonight and tomorrow. A west wind played havoc with bill boards and trees and outhouses in Albuquerque this afternoon. A big tree on South Second street between Lead and Coal avenues lost a large limb that fell across the street at noon, carrying a tangle of electric light and telephone wires with it. A large bill board on Seventh street near Central was upended so that the stakes which had held it were pointing toward the sky. The scaffolding of a new house on North Twelfth street was blown down. The telephone lines were worked with difficulty. The Citizen's Denver weather report received early this morning, promised snow north and rain south. Albuquerque will probably get both before tomorrow. Mercury has been falling all day, gradually, indicating a cold night.

GOVERNOR HASKELL  
TALKS TO RAILROADERS

Oklahoma Indicates a Desire to Withdraw Some of That Anti-Corporation Legislation.

Chicago, Feb. 8.—Governor Haskell of Oklahoma has sent out an invitation to the executive officers of all railroads operating in that state to meet him in a general conference. He has been moved to do so by the widespread publication of a statement that the roads generally are much dissatisfied with the provisions of the constitution and laws the state has adopted so far as they affect transportation lines.

Some roads, such as the Santa Fe, have allowed it to be understood that they will build no more lines in the state under present conditions. In proof of their purpose they have stopped all construction work within the state and projected lines have been abandoned for the time being.

Members of the corporation commission of the state and committees of the legislature that have had charge of the railroad affairs also have been invited and it is hoped that out of this conference will come a plan to end the antagonism which now exists and to stimulate the roads to resume their construction work. It is realized that Oklahoma must have railroads at any cost.

THE GRAYS WON  
THIRD OF SERIES

Fast Game Witnessed on Barlas Diamond Yesterday Between Local Organizations.

The following aggregations, representing the Grays and Browns, met on the Barlas diamond yesterday afternoon and the game ended in a victory for the former team by a score of 4 to 3:

Grays — Penna, catcher; Weeks, pitcher; Perea, first base; Howland, second base; Salazar, third base; Alarid, short stop; Luna, right field; Narvaiz, center field; Hidalgo, left field. Browns — Devine, catcher; McCrea, pitcher; Graham, first base; Cornish, second base; Weaver, third base; Corhan, short stop; Hale, center field; Blood, right field; Shafer, left field.

The game was a fast one from start to finish and it was anybody's game until the winning score was made by the Grays, almost at the eleventh hour. Both teams played well. Weeks was in the box for the Barlas boys and with the support of some of the old time Gray players, the team was almost invincible. Only two hits did the Browns get off of the fast twirler for the suburb team, one in the first and one in the ninth inning. The infield work of the Browns was admirable. Some of the best hitters of the team yesterday failed to find the twirling sphere from the hand of Weeks, but the crowd was highly pleased with the work of both sides. Yesterday's game was the third played this season between the Grays and Browns, the Browns winning two of them.
